Bill,

Donn will be doing a task for Toereck. Toereck also will have to do a COI but that should only take a couple of days.

We need to discuss this. I'd like to see both of you on Monday or Tuesday.

Bill, I know that it is a Removal. Due to the extensive list of PRPs and the long lead time required to do a coi, I am assigning this to another CI contractor.

Bill,
Please see the attached email with the process for COI and getting a contractor on board. Donn will need the information attached (as explained in the email) before he can begin COI whether it's with Hill or Toereck.

Donn will be back from vacation on Monday.

Thank you,

Donn,
I will be making a trip to Houston and having a community meeting for CES. What contractor do you want me to use? I will need a fact sheet or meeting invitation, mailing list etc. This is something that needs to happen quickly so please move quickly on this.. The meeting could be Nov. 18 or 20.
Thanks,
Bill
